

The Seekers Impact Revival Fund

LIGHTING THE PATH TO
A BRIGHTER FUTURE

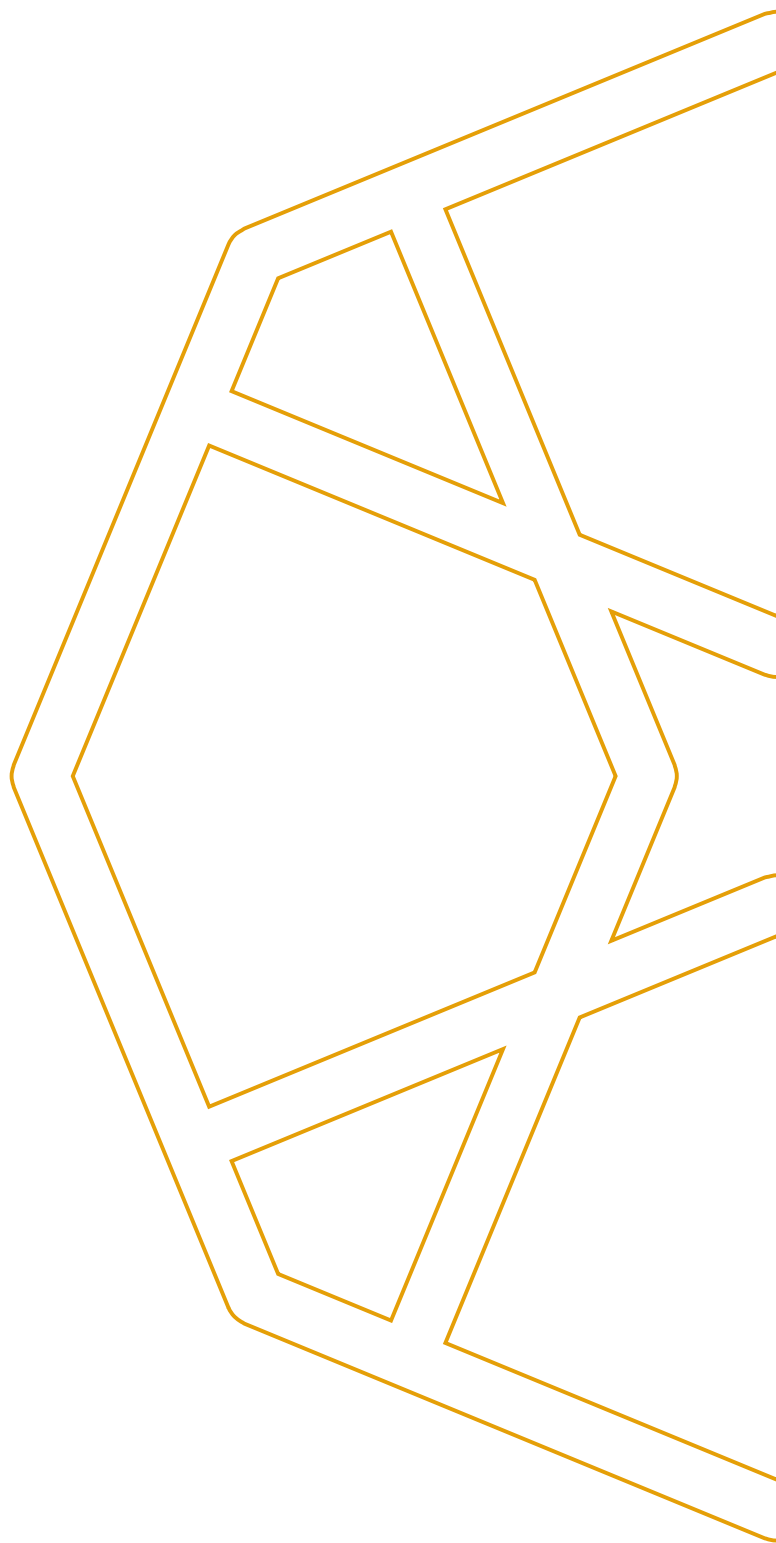

A Vision Rooted in Prophetic Guidance

In a world overwhelmed by crises, confusion, and uncertainty, SeekersGuidance remains a beacon of light, offering clarity, knowledge, and inspiration rooted in the Prophetic tradition.

For nearly two decades, we have preserved and spread authentic Islamic knowledge globally — free of charge — transforming thousands of lives.

Yet today, this critical mission is under threat. Global tragedies, rising ignorance, and spiritual crises underscore the urgent need for reliable, accessible Islamic scholarship.

The Umma faces unprecedented challenges, but this work must continue. We urgently need your support to stabilize and grow.

A Reminder of What the Solution Is

The solution lies in **producing guidance that is reliable, contextualized, relatable, balanced, and uplifting**—imbued with Prophetic wisdom.

SeekersGuidance exists to restore access to qualified, reliable teachers—a critical need in a time when misinformation is rampant. For the past 17 years, we have worked tirelessly to produce Islamic scholars **who provide Muslims worldwide with:**

Learning their Religion

Making sacred knowledge accessible to seekers everywhere.

Living their Religion

Guiding students toward the beauty of spiritual growth.

Serving Humanity

Cultivating scholars and seekers who uplift and benefit their communities.

This is more than education—it's a revival of Prophetic guidance in its truest form.

Why Support the Seekers Impact Revival Fund?

Why does SeekersGuidance do what it does?

The work of SeekersGuidance is not just a moral commitment—it's a religious imperative.

Legal Imperative (Fard Kifaya):

The Umma must produce enough scholars to **preserve faith, knowledge, & practice.**

Moral Imperative (Amana):

It is our **responsibility** to facilitate access to **authentic knowledge.**

Spiritual Imperative:

The essence of Islam is to **call to Allah** through guidance and education.

At SeekersGuidance, our mission is to ensure that everyone, everywhere, has access to the deen by:

- Producing **guidance that is reliable, contextualized, relatable, balanced, beautiful, and uplifting**—in stark contrast to much of what exists today.
- **Embodying Prophetic values** of mercy, care, and virtue — ensuring that knowledge is **not only sound but also inviting and transformative.**
- Addressing the tragic and urgent crisis of **lack of religious guidance and access to teachers.**

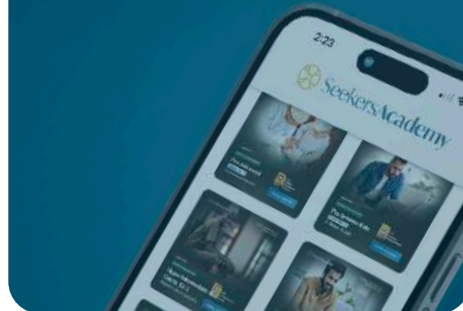

What SeekersGuidance Offers

To meet this challenge,
SeekersGuidance provides:

Absolutely Free

This is not just an initiative.
It is an Ummatic imperative.

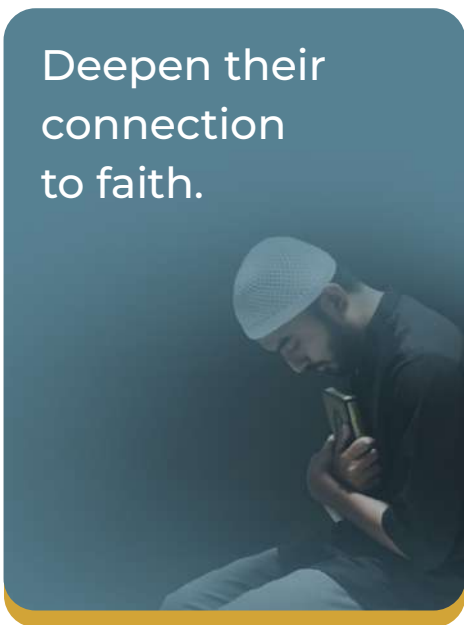

The Philosophy of **Free**: Accessibility & Impact

In a world where knowledge often comes **at a price**,
SeekersGuidance stands apart.

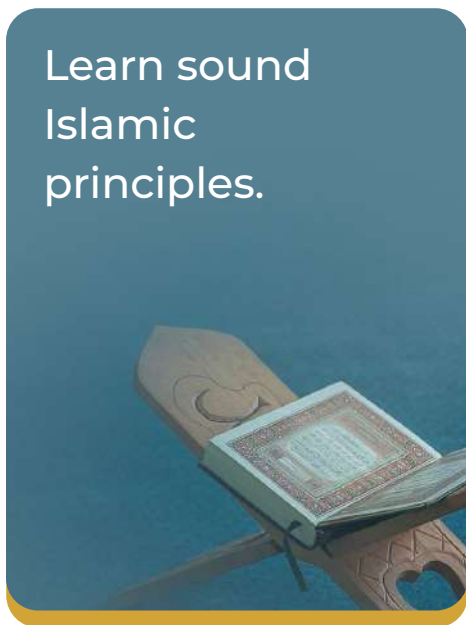

Our programs are offered entirely **Free Of Charge** —
because we believe that **Islamic knowledge should be a right, not a privilege.**

By **eliminating financial barriers**, we ensure that every individual, **regardless of economic status**, has the opportunity to:

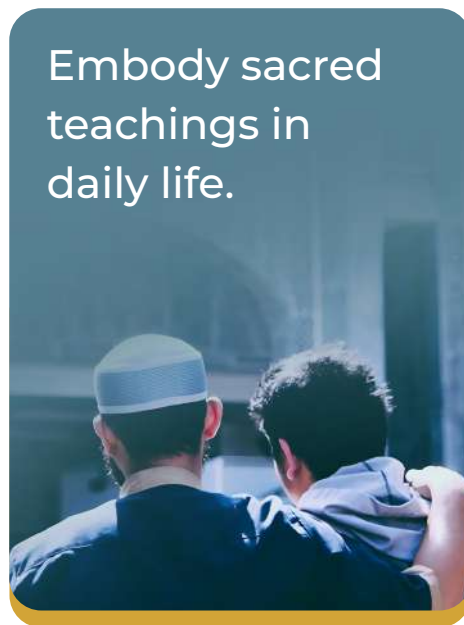

Deepen their
connection
to faith.

Learn sound
Islamic
principles.

Embody sacred
teachings in
daily life.

This approach is not just an **act of charity** — it is a **strategic necessity** to
**fulfill the Umma's collective obligation (Fard Kifaya) of preserving and
disseminating knowledge.**

The Philosophy of Free: Accessibility & Impact

It follows the Prophetic tradition of freely sharing wisdom and aligns with the Quranic command:

"...and say: 'My Lord! Increase me in knowledge'" (Quran 20:114).

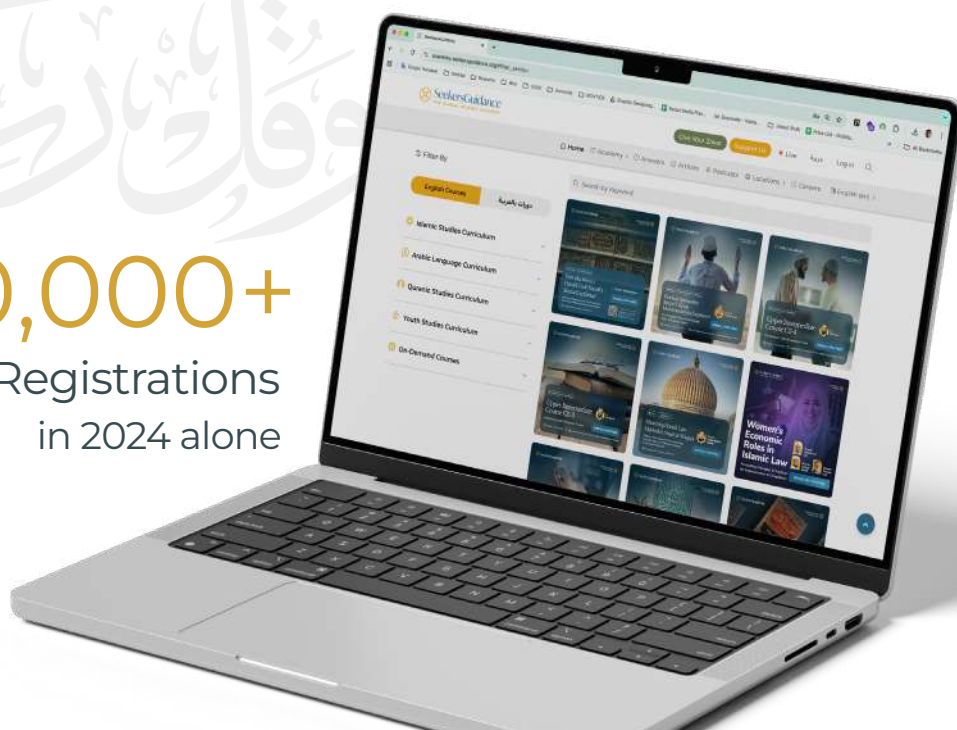

The impact of this model has been profound. Over the years, we have nurtured a global learning community with **over 500,000 students** benefiting from our courses, seminars, and educational resources.

By offering services at **no cost**, we foster a culture of **generosity and selflessness**, ensuring that the legacy of **traditional Islamic scholarship** thrives and reaches **those who need it most**.

We believe that **this model is a testament to our unwavering commitment** to education and empowerment. It ensures that **everyone, everywhere, can access the pure and profound teachings of Islam**, transforming **both individuals and communities**.

The Constraint

To sustain this vision,
we need your ongoing support.

Our current budget for **systems, technology, teachers,
and students is stretched to its limit.**

Yet, we remain committed to our fundamental principle:

No one ever has to ask,
“How much does this cost?”
Because the answer will always be:
“It’s absolutely FREE.”

No other Islamic project **reaches as many people, so
consistently, so easily, with such clarity.**

Imagine how much greater that impact could be if we
are able to **increase our capacity.**
